How First Nations Peoples Helped Early Settlers

First Nations peoples showed early settlers how to farm, make medicine and survive the harsh Canadian winters. They also showed early settlers how to catch food and where to find other things to eat.

With additional readings or following your visit to Georgina Pioneer Village, ask the students to complete the following chart.

<i>Ways First Nations Peoples Helped Early Settlers</i>	<i>Example</i>
<i>Farming</i>	
<i>Medicine</i>	
<i>Coping with illness</i>	
<i>Coping with winter</i>
