Dear Sir/Madam:

The Georgina Pioneer Village is home to numerous historic structures from across the Georgina area, including a backwoods log house, a one-room schoolhouse, a Free Methodist Church, a blacksmith shop, a general store, and a train station. Our goal is interpret Georgina's rich past from the mid-nineteenth to the early twentieth-century for a diverse public, both in Georgina and beyond.

The museum offers programs for school groups that can be customized to complement the Ontario curriculum and the specific learning objectives of each educator.

Please find included in your Educator's Package an education programs brochure, a site map of the Georgina Pioneer Village, various activity cards (for both pre- and post-visit), and a program evaluation form.

If you have any questions or are interested in booking a visit to the Georgina Pioneer Village, please do not hesitate to call or email. Once you have booked your visit, you will receive a proposed itinerary, which seeks to fulfill your educational objectives. It can, of course, be changed to better suit your needs. Your feedback is greatly appreciated.

I look forward to hearing from you soon.

Sincerely,

Phillip Rose-Donahoe
Curator/Manager
